And the greatest of these is love (1Cor 13:13). Our call to be Christians is a call to love and be loved. Love in its sincerest and purest form is what allows us to truly be alive.

Divine Love is what Jesus came to give us; a love that dispels the powers of darkness; and casts out doubt, fear, anxiety and insecurities. It is the gateway to experience God's healing, for divine love is a soothing balm that mends broken hearts and heals deep-rooted wounds. It is God's Love for us that makes us into the best versions of ourselves.

This is the moment – the opportunity-to be renewed- to come and rest in God's Love. This is the time to deepen our faith, so that our faith is strengthened for the journey. This is a call to a divine encounter that will transform us and help us establish a lasting relationship with fellow young adults who are on the same journey as we are.

We, the Young Adults of this Diocese, guided by our mentors, have designed this retreat. We understand each other and we can face our fears and trials together. It is our united stand in our faith that will help us to be a bright beacon of hope to our families, friends and the world.
