*Mary
Mother of Jesus:
Gospel Portraits*

Devotion to Mary has been a hallmark of Catholic faith and piety from the very beginning. Christian love of Mary has led to rich and diverse expressions of that love in our liturgy, our popular devotions, and in the religious experience of Christians through the centuries.

The portrayal of Mary in the Gospels remains the source and norm for all Marian devotion. This biblical retreat will focus on the varied portrayals of Mary found in the Four Gospels and the Acts of the Apostles as a way of renewing our appreciation of the role of Mary in Christian life today
